The screenshot shows a web application interface. At the top, there is a header with the text "Online Application Form". Below the header is a table with the following columns: "Location", "Hours / Week", "Pay Grade", "Apply Status", "Posting Number", "Closing Date", "Start Date", and "End Date". Below this table, there is a section titled "Postings Applied For Previously" which contains another table with columns: "Location", "Status", "Posting Number", "Closing Date", "Start Date", "End Date", and "Location". A red box highlights a row in this second table, and a dropdown menu is open below it, showing options like "Applying" and "Closed".

This information is view only

A small table snippet at the bottom of the page with columns for "Location", "Posting Number", "Closing Date", "Start Date", and "End Date". The word "Application" is visible in the middle of the table.
